Becoming a
Girl Shaped Flame

Every girl has a fire in her belly, we're here to fan the flame.

Becoming a

Girl Shaped Flame

FUEL provides teen girls in high school (Years 7-12) **emotional & psychological development and life skills preparation**, along with opportunities to **develop a clearer and more comprehensive understanding of potential career and life pathways** through our ***Girl Shaped Flame program.***

Being a Girl Shaped Flame gives you the chance to ***dream big***, push your boundaries, ***discover what you're really made of***, all with the support of Extraordinary Women cheerleaders from a range of industries along the way.

It opens doors and provides ***experiences*** that will build your confidence and passion - both powerful factors influencing your ***happiness***, your ***future***, and how high you set your own ***ambition***.

Are you (or do you know) a Girl Shaped Flame?

A girl (or identify as one)

In high school (Years 7-12)

Want to connect with people with your similar drive and ambition

Interested in the world around you and how it really works

Want to try new things

Want to get a better understanding of yourself

Want to build your confidence

Want to find (or feed!) your passion

Want to get a clearer understanding about particular industries/job roles

Want to meet strong, positive female role models

Can feel a flicker (or an inferno!) of a fire in your belly

If you've ticked one or more of the above, then congratulations:

you're perfect Girl Shaped Flame material.

We've got
the wood,
you bring
the fire.

Fire feeds Fire: Belonging to a community of like-minded girls

You know that energy burst you get when you strike up a conversation with someone that just 'gets it'? Well, your fellow Girl Shaped Flames get it, and so do the Extraordinary Women that will be joining us each month to impart their knowledge and expertise across a range of topics.

These regular sessions are part relaxed networking, part workshop and part celebration of amazing achievements made each month by our Girl Shaped Flames.

They're a great opportunity to make new connections and friends while working on your own skill development and connections.

Topics we'll be exploring throughout the year include:

Creative Problem
Solving

Dealing with
Stress & Pressure

Communication

Perspective &
Objectivity

Time
Management

Finding your
Passion

Collaboration &
Team Work

Fear &

Pulling Back the Curtain: Exclusive company excursions across a variety of industries

When you're trying to figure out how to get to a new place, you look at a map. If you want to know what it's like there, you ask someone who has been before you, you google some photos, you read some reviews.

But when it comes to building **a clear understanding of the pathway/s you're considering for your future**, nothing beats getting in there and seeing it first hand. So we're partnering with a variety of fantastic companies across a range of industries who are excited to welcome you in to "see behind the curtain". Girl Shaped Flames get exclusive access to information sessions, (packed with insider insight) Q&As with Extraordinary Women who work there (Advice! Guidance!), stickybeak tours of their workplaces and even opportunities to shadow staff in their everyday tasks.

 **87%** loving the idea of shadowing a staff member, even just for an hour

FAQ's

What is time commitment is expected of a Girl Shaped Flame?

Being a Girl Shaped Flame isn't about clocking up hours, it's about taking up opportunities that interest you and work within your schedule to absorb information, develop your confidence and skills, and receive advice and guidance from professional women across industries. Our activities are designed to enhance your existing skills and understanding so you can fire up your everyday life!

Do I have to attend every monthly meet-up?

Not at all. You're welcome to attend as many or as few as you like!

Where do the different experiences take place?

At launch, Girl Shaped Flames' activities will be based in Brisbane, QLD. Girls from outside of Brisbane are welcome to register as a Girl Shaped Flame and take advantage of GSF.Connect's content and community and exclusive member offers.

Is there any homework?

In the traditional sense? No. However the odd monthly meet-up may run an activity you're welcome to take home and continue to work on.

Can my mum come along?

There are certain events and activities that your parent/s will be welcome to come along to, and then there are others that are just designed for Girl Shaped Flames.

How old do I have to be to be a Girl Shaped Flame?

Girl Shaped Flame membership is only open to girls of high school age, in Grades 7-12.

How much does it cost?

Registration is \$170 (incl gst) each year, and starts from the date you join (of 1st Jan 2019 if registering in 2018). Monthly meet-ups & access to the GSF.Connect Platform are free for members, as are company excursions to our Industry Ignite Partner companies. For excursions to non-Ignite Companies there will be a per-person attendance fee of \$25-\$45pp, depending on the size of the group attending.
